Dear Nancy,

On behalf of the Keystone Corporation Board of Directors, I am pleased to inform you that Keystone Corporation has voted to formally endorse your candidacy for Nevada State Assembly, District 12 in the 2026 general election.

This endorsement is not extended lightly. Keystone Corporation is Nevada's premier pro-business advocacy organization, and our members represent employers, industries, and civic leaders across the state who depend on principled elected officials to protect free enterprise, expand economic opportunity, and defend the policies that keep Nevada competitive. Throughout our interview and endorsement process, you demonstrated a firm command of the issues, a clear vision for your district, and a commitment to the values our organization exists to advance. You earned our support on the merits, and we are proud to stand with you.

To back our endorsement with meaningful action, Keystone Corporation will contribute \$2,500 to your campaign committee. We hope this investment strengthens your operation in the critical months ahead as you drive toward victory in November 2026.

As a benefit of this endorsement, you are authorized to use the Keystone Corporation logo on campaign literature, mailers, digital communications, and signage throughout the 2026 election cycle. The approved logo files are attached for your team's use.

Congratulations again on earning the endorsement of Keystone Corporation. We look forward to working alongside you this cycle and celebrating your victory in November.

Sincerely,

Brett Sutton
